Annual Parish Meeting 2017 Chairman's Report

Good evening everyone and on behalf of all our Parish Councillors, I should like to welcome you all to the Annual Parish Meeting. The Parish Meeting is for the Parishioners, and we do not transact any business, but is to keep you informed of what the Council has done in the past year and what we are hoping to achieve in the coming year.

Last year we organised "a Party in the Park" on Gold Park, the Celebration of the Queens 90th. Birthday, together with a lighting of the Beacon. The Christmas Fayre was as ever a great success, and will be held again this year. The Council has now formed an "Events Working Group" which co-ordinates all these events. The Chairman of this is Laura Stango, and I am sure we would all like to thank her and the Group for all the hard work they put in to make our events a success

In August of last year we had the very successful launch of the book "Muleslai to Mundesley, which was written by Peter Brice and the photographs by Leigh Caudwell. So far we have sold just under 300 copies. Jarrolds Bookshop, in Cromer has sold over 80 copies.

This year we organised the Easter Bunny Hunt, and over 200 children participated in this. Fortunately the weather was kind to us on Easter Saturday, and this is another event we shall be repeating next year.

Our Clerk Doreen Joy, receives many comments from Parishioners both good and bad. One them that often crops up is speeding in the Village. We were successful in obtaining grant funding for a SAM. This is not a ballistic missile to shoot out cars, but a traffic sensor, which is portable and can be located in different parts of the village. It is hoped that this will be in use in the near future, and reduce speeding.

We are fortunate that we now have a full house of 13 Councillors, and without their commitment we would not have achieved so much in the past year, and the various things we hope to achieve in the future.

I am pleased to say that the Museum which is owned by the Parish Council, and run by them will be opening at the beginning of June. Every three years the Arts Council carry out an assessment with the aim of granting Accreditation. Verbally I have been told that full accreditation will be granted.

Our website is one of the many faces of Mundesley, and it is accepted that it needs improving, and to this end we hope to appoint a company in the near future to carry out the upgrade.

The Council has a large number of assets, which include Gold Park, Skate Park, Multi Use games area (MUGA) and 107 street lights, and all these require maintenance.

The Car Boot should have started last Wednesday, but was unfortunately cancelled due to bad weather.

I hope you all enjoyed the refreshment s we provided, and this Annual Meeting is in a different format from the previous ones so that any societies and groups can participate, and it is pleasing to see what a wide range of activities are available. Lastly I should like to thank our Clerk, Doreen, who many of you will have met for all the hard work she has put in to making this event a success. She became acting clerk in November last year and was pointed Clerk in March of this year, and I know she is 100% committed.
